ELECTRICAL GROUP

# CAPABILITY STATEMENT

## ABOUT JWE GROUP

Founded in 2022, JWE Group has quickly emerged as a leading electrical contracting firm, driven by a management team with over 30 years of collective experience across various sectors. We have established a strong reputation for delivering high-quality electrical services in Power Generation, Construction & Engineering, Renewable Energy, and Telecommunications.

Our dedicated team consists of highly skilled and qualified engineers, project managers, electricians and support staff who are committed to ensuring safety, quality, and efficiency in every project we undertake. At JWE Group, we prioritise excellence and innovation, making us the trusted choice for all your electrical needs. Proudly servicing Central west and Hunter regions.

JWE | Newcastle

## OUR VISION

---

To be the most trusted electrical service provider in the region, recognised for excellence in craftsmanship, customer care, and community impact.

## OUR MISSION

---

To deliver safe, reliable, and innovative electrical solutions that power communities, support growth, and exceed client expectations while upholding the highest standards of safety, quality and integrity.

## OUR GOAL

---

Our goal is to consistently provide top-tier electrical services that meet evolving industry needs, while maintaining strong client relationships and contributing to the communities we serve.

## OUR VALUES

---

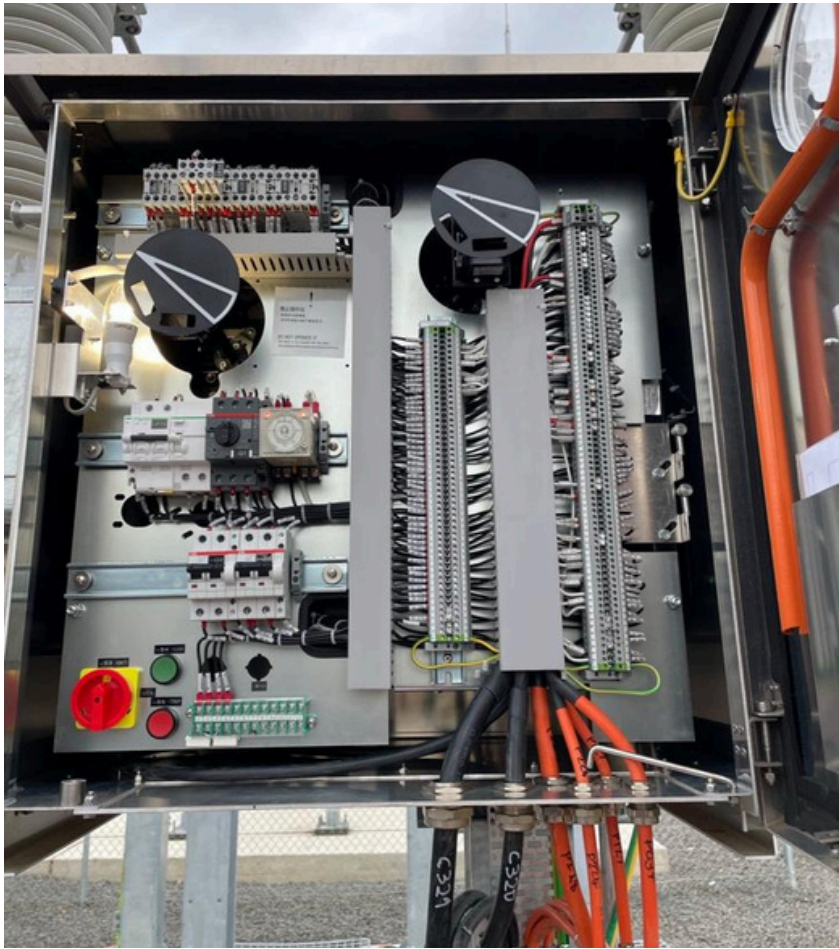

We act with integrity, prioritise safety, and deliver quality work. We build strong client relationships through excellent service and remain committed to making a positive impact in our communities.

# OUR SERVICES

## MINING AND HEAVY INDUSTRIAL

We provide expert electrical services tailored for the mining and heavy industrial sectors. Our team is experienced in working with high-voltage systems, industrial machinery, and site infrastructure to ensure safe, efficient, and reliable operations. From new installations to maintenance and upgrades, we support large-scale projects with a focus on durability, compliance, and performance.

# OUR SERVICES

## POWER GENERATION

---

Our electrical group delivers comprehensive solutions for power generation systems across a range of industries. From diesel generators to renewable energy integration, we handle design, installation, commissioning, and maintenance. Whether it's a standby system or a full-scale generation plant, we ensure reliable, compliant, and efficient power delivery tailored to your operational needs.

## TELECOMMUNICATIONS

---

Our team provides reliable electrical and infrastructure services for the telecommunications sector. We support the installation, upgrade, and maintenance of communication towers, data cabling, power systems, and network hardware. With a focus on uptime, safety, and performance, we help keep critical communication systems running smoothly across remote and urban environments.

# OUR SERVICES

## AUTOMATION

---

JWE specialises in automation solutions using industry-leading PLC and SCADA systems. We design, program, and integrate control systems that streamline operations, improve efficiency, and enhance reliability. Whether it's process control, monitoring, or remote access, our automation services are built to keep your systems running smarter and smoother.

# OUR SERVICES

## ENGINEERING

At JWE, we provide expert electrical engineering solutions tailored to your project's needs. From initial design to final implementation, our team ensures safe, efficient, and compliant systems for residential, commercial, and industrial environments. With a focus on innovation and reliability, we deliver power solutions you can trust.

## HIRE

---

At JWE Group, we specialise in the supply and hire of reliable, high-performance electrical equipment to support construction, infrastructure, and industrial projects across the region. Our focused team delivers cost-effective solutions designed to reduce downtime, boost productivity, and ensure strict compliance with safety and industry standards.

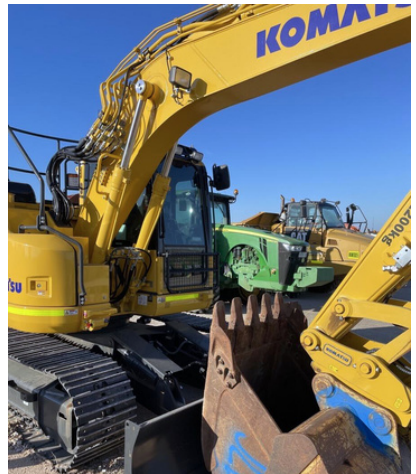

### GENERATOR HIRE

JWE offers reliable and efficient 10-60kVA generator hire solutions for a wide range of applications, including construction sites, events, and emergency backup. Our equipment is well maintained and supported by experienced technicians to ensure dependable performance. With flexible hire terms and prompt service, we provide the power you need, when you need it.

### MOBILE HIRE

JWE offers specialised mobile plant hire services tailored for civil construction, excavations, and trenching projects. Our fleet includes excavators, skid steers, and tip trucks, all available with a range of specialised attachments to meet complex site requirements.

# RECENT PROJECTS

At JWE, our projects reflect our dedication to quality, safety, and reliability. From homes to industrial sites, we deliver electrical solutions that are built to last and make a lasting impact.

PROJECT	LOCATION	COMPLETED
Wilpinjong Coal Mine	Wilpinjong, NSW	Ongoing
Camp & Facility Maintenance (Willpinjong & Village Green)	Wilpinjong, NSW	Ongoing
MVSF - 132kV Switchyard Construction	Maryvale, NSW	April 2026
Beryl Solar Farm SCADA System	Gulgong, NSW	February 2026
Heavy Vehicle Workshop Construction	Wilpinjong, NSW	September 2025
Water Treatment Plant Upgrade	Wilpinjong, NSW	May 2025
MINTEK EMS (Water Evaporation System)	Wilpinjong, NSW	December 2024
Stubbo Solar Farm (400MW)	Stubbo, NSW	September 2024
Rye Park Switchyards 33kV/330kV	Rye Park, NSW	November 2023
M4 – M5 Link Tunnel West Connex	St Peters, NSW	September 2023

# HEALTH AND SAFETY

---

## We care about our people.

At JWE, we believe every team member deserves to return home safe and well each day. This belief drives a strong commitment to the health, safety and wellbeing of our workers, and it's supported by robust work health and safety management systems.

Our consultative risk management framework aims to deliver a targeted risk-based approach, engaged leaders, empowered workers and a positive safety culture. We're proud of our commitment to keeping our team safe and healthy, and we believe that it's what makes us better at what we do.

## CONTRIBUTING TO OUR COMMUNITY

Our commitment to communities goes beyond business. We believe in powering more than just buildings and facilities, we're committed to empowering communities. We support various local organizations either financially with sponsorships to community initiatives, providing donations, or offering in-kind services that align with our expertise.

### Proudly Supporting:

## WHY CHOOSE US?

At JWE, we bring more than just power, we bring reliability, safety, and commitment. With a team of skilled professionals, we deliver high-quality electrical solutions tailored to your needs. From residential to heavy industrial and mining, we prioritise safety, efficiency, and long-term performance. Our dedication to excellent service and community support sets us apart as a trusted partner in powering your future.

## CONTACT US

---

We're here to power your projects with reliable solutions and responsive service. Whether you have a question, or want to discuss your next electrical project, our team is ready to assist you.
